**Ref.: Your letter of 18/02/2015**

Dear Mr Piletic,

Thank you for your letter of 18/02/2015 that you sent to the Delegation of the European Union to Montenegro. As you know from our previous correspondence, we have taken due note of the issue you have raised.

With that in mind, we are grateful that you provided us with the most recent information. Let me reiterate that the Delegation of the European Union to Montenegro has no mandate to intervene in specific cases but we monitor the respect of rule of law from a systemic point of view. We understand from your letters that you have addressed the appropriate domestic authorities. We would advise you to use all internal legal remedies.

Please be assured that the Delegation of the European Union to Montenegro will continue to monitor the actions undertaken by the competent national authorities to ensure the respect of the rule of law and the European Commission will continue to address any shortcomings in its Progress Report.

Yours sincerely,

Alberto Cammarata  
Head of Political Section
